BRITISH PROPERTY IN ENEMY COUNTRIES.

HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering up in the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or other-

wise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public *securities* of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

HIS HONOUR the Lieutenant-Governor directs the publication of a telegram from Lord Lansdowne, as follows:—

“ LONDON ENG Sept 29

“ His Honour the Lieutenant Governor of the Province of BC, Victoria BC.

“ I beg to inform you that the British Red Cross Society and the Order of St John, in view of the great demands upon their resources both in France and the Near East, have decided to make an appeal throughout the Empire by street and other collections upon the twenty first day of October next, the money received from this appeal will be devoted entirely to relieving the sufferings of our wounded soldiers and sailors from home and overseas at the various seats of war. From all parts of the King's Dominions we have already received generous assistance in our work, but with the increase of British and Overseas Forces at the Front there is a corresponding increase in our expenditure and we shall be truly grateful to you if you will help us by organizing an appeal, and sending the proceeds to us for the objects which I have named. I shall be greatly obliged if you will kindly communicate the foregoing to your Government.

“ Their Majesties the King and Queen and Her Majesty Queen Alexandria are giving us Their gracious patronage and I trust that you will also be able to see your way to help

DOMINION ORDERS IN COUNCIL.

[1938].

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 18th day of August, 1915.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 12th July, 1915, from the Acting Minister of the Interior, submitting that Mr. James B. Leighton and his sons, Raymond F. Leighton and Leslie L. Leighton, of Savona, British Columbia, have applied to purchase under irrigation conditions the lands enumerated in accompanying schedule and situated in the Railway Belt of British Columbia, amounting in area to 519.8 acres, 200 acres and 80 acres, respectively;

The Minister states that these parcels adjoin lands owned by the applicants, which total in area approximately 1,036.6 acres, and they propose irrigating the lands applied for by extending and enlarging the irrigating system now used in placing water on their present holdings.

Inspections have been made by officials of the Department of the Interior, who have reported that the land is unsuitable for agriculture without irrigation, and that the irrigation proposition is feasible from an engineering standpoint.—

The Minister, therefore, recommends that the lands applied for as enumerated in the accompanying schedule be sold to the respective applicants on the following conditions:—

(a.) The purchase price to be at the rate of five dollars (\$5.00) per acre, subject to a deduction of the cost of the irrigation-works up to an amount not exceeding two dollars (\$2.00) per acre, and the amount so credited shall be deemed to be a payment in cash made on the date of sale. The said purchase price to be paid as follows: One dollar (\$1.00) per acre within a year from date of the authorization of the sale by the Governor in Council, the balance within three years from the date of such authorization or upon fulfilment before the expiration of the said three years of all other conditions of the sale, with interest at 5 per cent. per annum.

(b.) The lands sold to be brought under cultivation by irrigation.

(c.) The necessary water rights to be secured from the Provincial Government of British Columbia; no further work to be done on the land until preliminary water rights are secured from the Province.

(d.) The work to be commenced within one year from the date of the authorization by Order in Council of the sale, and to be completed to the satisfaction of the Minister of the Interior within three years from such date, unless other dates are fixed by the Provincial authorities in connection with the water rights, in which case the Provincial dates may be accepted if approved by the Minister of the Interior.

(e.) Examination to be made by engineers of the Department of the Interior on completion of the work.

(f.) Patent to issue, when conditions completed, for those parcels the irrigable portions of which have been brought under cultivation by irrigation.

(g.) The sale to be cancellable for non-payment of the purchase price or for failure to comply with any of the conditions of sale.

(h.) Prior to patent no transfer or assignment of the lands, or any rights therein, to be made without the consent of the Minister of the Interior.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU.
